Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Pennsylvania Trolley Museum for Fiscal Year 2022.

The entity to receive funding for this project is the Pennsylvania Trolley Museum located at 1 Museum Road, Washington, Pennsylvania, 15301.

The funding, totaling \$413,230, would be used for construction of an outdoor family area, Americans with Disabilities Act accessible ramps, viewing platforms, and an entryway to the Trolley Display Building, an outdoor display area, sidewalks, street lighting, and parking for visitors and employees.

The project is an appropriate use of taxpayer dollars and will allow for safe and equal access for all patrons, as well as provide necessary updates to help the museum achieve its mission to “preserve and perpetuate its collection of historic transportation equipment, artifacts and archives and utilize the collection and other resources to provide an unparalleled immersive experience that brings the technology and culture of the Trolley Era alive through entertaining, educational and diverse programming.”

I certify that neither I nor my immediate family has any financial interest in this project.

Very respectfully,

Guy Reschenthaler
Member of Congress
